FROM YOUR PRESIDENT DICK PRYOR

With summer coming to a close its time to reflect on the activities we have had in the park and to thank all of the volunteers. Claudette has done an outstanding job as Social Chairman this year. Her latest success was the ice cream social. You missed some really good ice cream and the last social event of the year if you didn't attend. Attendance was very good at the 4th of July party with everyone having a good time despite the 110 degree temperature. And of course, the kids always enjoy the Easter egg hunt.

The Board has decided to make the bathrooms more presentable. The Park/Pool report talks about the first stage of upgrading the appearance. Also under consideration is replacing the wash basins and toilets and re-surfacing the floors.

ECA BOOK CLUB

POOL & PARK DIRECTOR—MARVIN POTTS

Fall is fast approaching so I encourage everyone to take advantage of the weather and enjoy the park and pool. The solar will stay on until the end of October. The temperature last week in the larger pool was approximately 80 degrees. We try to keep the temperature about 75-78 degrees in the other pool. Of course the pool temperatures depend on how warm the outside temperature is especially if the daytime temperature drops below 90 degrees.

The Board Is looking into improving the appearance of the bathrooms and is getting estimates on fixing or replacing the showers and has approved spending up to \$1,400 to have them re-coated or replaced. We will also be getting recommendations and estimates on improving the appearance of the concrete floors. More on this in the October newsletter.

TREASURER—CLAUDETTE OSTRANDER

All of you who have had computer problems can sympathize with me....my computer died a few days ago and has now been replaced but trying to get all my data from the old to the new has been a challenge.

I sent several letters out a couple of weeks ago to those with delinquent accounts. Those who have brought them up to date, Thank You Very Much! Remember, you have until December 15, 2013 to pay the additional \$40 dues increase for 2013 so please get your checks in the mail with your 4th quarter dues.

SOCIAL DIRECTOR- CLAUDETTE OSTRANDER

We certainly picked the right night for our Ice Cream Social – It was about 100 degrees ! Perfect weather for the event. We had about 50 members who came out to enjoy the ice cream and each other.. I like this informal get-to gather best of all!

We only had 6 sign up for the Parking Lot Sale which is really not enough to go forward with. Maybe next year!

A special thanks to all who have given their time this year to our events....it has been much appreciated.

Car Thefts: the Good and the Bad

Our community is apparently doing a good job of removing items from parked cars, thus reducing the incentive for stealing. Also, if a break-in should occur, there would be little loss.

We are not doing so well in remembering to lock cars, especially at night. Turning on an outside light at night will also help deter those who are up to no good.

Two car burglaries occurred in the past month on Park Green Court, so there remains good reason for all of us to be alert. These incidents were reported to the sheriff.
