FROM YOUR

PRESIDENT-DICK PRYOR

A big thank you to everyone that helped make for a very productive park workday. The weather cooperated and it was a perfect day for working together as a community, getting to know some of your neighbors and enjoying a fantastic BBQ luncheon prepared by Ann Billington. A heads up reminder that you will soon be getting a form that needs to be filled out by every homeowner that contains information that has the names of all persons living in the household. This information is necessary information so that our records are accurate and up to date. This is also a gentle reminder that dogs in the park need to be on leashes – no exceptions!

TREASURER—CLAUDETTE OSTRANDER

A treasurer for any organization loves to save money and with everyone that showed up for work day saved the association money by performing jobs that needed to be done that we did not have to hire someone to do. Thank you for giving your time and energy and sharing a beautiful day with your neighbors.

Your 3rd quarter statements will show all lots billed \$40.00. Those who worked will receive a \$40.00 credit. Those who did not have the opportunity to work 4 hours will have a \$40.00 outstanding balance.

Park Workday Report- Dick Pryor

A big thank you to all of you that helped complete the many projects that were scheduled on work day. You hauled, carried, or drug hundreds and hundreds of tree branches to the street; removed weeds and prepared planting areas for flowers; fertilized azaleas, planted ivy and placed 10 yards of shock absorbent wood chips in the play area; cleaned pool furniture, BBQs and the equipment area; and completed many other miscellaneous projects.

If you don't see your name, we either missed it or you forgot to sign in. If you missed work day, you still have the opportunity to put in your time as we have projects that still need to be completed. Please contact Marvin Potts (481-9642) or Dick Pryor (834-7380) before May 15th to arrange a convenient time to work. Work must be completed by June 16th.

The remaining projects are as follows:

- Plant flowers (when they are ready to plant)
- Mulch and fertilize flowers.
- Caulk around the pool coping.
- Remove, wash and reinstall light globes.
- Trim ivy on fences.

Garden Glimpses

by Linda Hax

Did you know some birds line their nests with mud? Lynnette Purvis rescued the specimen of bird nest architecture pictured below from the pruned branches of a cherry tree during park work day. The birds had already flown away.

Work day weeding cleared ground in front of bearded irises making way for the colorful zinnias which will soon grace the poolside pathway.

Iris adorned other Evergreen Commons yards in colorful variety.

So beautiful and the foliage stays green all year!

WEED WOES? Spring not only brings colorful flowers but an abundance of weeds. What weeds have been taking up residence in your yard? Share pictures and tales of weed control in your yard. Send your weed pictures and woes to Lhax@surewest.net for next month's newsletter.

ECA BOOK CLUB

We met last Monday morning for coffee and snacks at Lynette's house on Baron. Discussion on *The Book Thief* was varied and interesting but the really fun part was going to lunch together afterwards! Five of us were able to enjoy lunch on the patio at Danielle's Creperie!

10:00 A.M. Monday, May 12th is the date of the next ECA Book Club. We will be reviewing any title in the inspector Armand Gamache Mystery series by Louise Penny. (*Still Life* is #1 if you like to start at the beginning.)

We will meet in the park, weather permitting, or at Karen Buxton's 4425 Pasadena Ave.

COME JOIN THE FUN AND GET ACQUAINTED! WE ARE GROWING AND MAKING NEW FRIENDS!

Contact us for more information.
