### BEN BOTE—PRESIDENT

Summer is here and the hot, scorching days are upon us! With that said, please be mindful and safe when using our pools. Please remember that you must accompany your guests when they use the pool and park. Please do not lend your keys or let anyone use them for access. We have had unauthorized people in the pool area before and we need to eliminate that. All owners have keys with the key tag attached, and it's easy to identify.

We are in need of new block captains. If anybody is interested to serve, please contact Rob Kerr or myself.

We will also be in need of a new board member. If someone is interested in serving on the board, please contact me by email. Thank you.

### LYNNETTE PURVIS—SECRETARY

The next Meeting is scheduled for Monday, August 5, 2019, 7:00 p.m., in the park. A meeting agenda will be posted on the pool bulletin board several days prior to that. Monthly meetings are open to ECA members. Minutes of past meetings are posted in the park and on the website.

**NO REPORT**

**BRIAN MAKER-SOCIAL**

4th of July Picnic is right around the corner! We are excited to host our annual July 4th celebration here in the park. We will have live entertainment graciously provided by some of our local residents games, food, and the best part, community.

Brian Maker, our new Social Committee board member, will be handing out flyers and looking for volunteers from the neighborhood to support the event . We will need volunteer sign ups submitted by June 20th.

**BRIAN MAKER-ARCHITECTURAL**

With the high temperatures and longer days keeping grass well watered and healthy can be a challenge. Please keep grass and landscaping maintained. If you have open patches or exposed dirt in your lawn we ask you to fill it in with mulch.

Any plans for landscaping must have an Architectural Review Form completed, which can be found on the EVC website.

**TREASURER - BRENDA SHAW**

Summer is here and it's just beautiful! Big thank you again to those who have volunteered to work in our lovely park...your hard work has paid off! \$40 assessments for those who haven't put in their 4 hours this year (or made arrangements with Dick) will be applied to your account this month.

Hope to see you at the 4th of July picnic!

It has been brought to my attention that we need a place where Homeowners can speak to each other. When you're going through something with your house, check to see if others have done the same. How did they handle it? Who do they recommend?

**THIS SPACE IS FOR YOU!** Our first question is from **Sue Supple**.

Get your questions to me anytime and I will save them for the next newsletter.

### OUR AGING HOMES ???#?

Hi Evergreen Neighbors,

My home is one that has the 8 ft.<sup>2</sup> skylight and a ficus tree that reaches up into it in the entryway. I discovered dark mildew like discoloration on the ceiling around the skylight and had to replace my skylight and remove/replace the whole ceiling surrounding it in November/December 2018.

The dark spots are back and I am asking if any of you have had similar experiences and have any recommendations for me.

Please contact me with any information you may have.

### ECA BOOK CLUB

We met in the park to discuss our latest book, ***A Girl of the Limberlost*** (a book written by **Gene Stratton-Porter** in the year 1907!) We enjoyed the discussion very much.

This month we are reading a current book called, ***Home Fire by Kamila Shamsie***.

We will gather in the park this month, Monday, June 14.

**COME JOIN THE FUN AND GET ACQUAINTED!  
WE ARE GROWING AND MAKING NEW FRIENDS!**

Contact us for more information.
