Hello Neighbors. I hope everyone is having a wonderful summer and staying cool. We had a nice turnout for the 4th of July Ice Cream Social. We are looking forward to getting together again in September for another opportunity to socialize with our neighbors before the weather begins to get colder. The Board is still discussing and collecting proposals from management companies and our Neighborhood Watch group (and block captains) has been active again. Thank you Rob Kerr for leading this effort.

If you haven't had the chance yet to stop by and see the Memorial Rock in the park that is dedicated to Dick Pryor, please do so. It's a very nice addition to our common area and a beautiful remembrance of Dick who devoted countless hours of his time to our park and pools.

Please read the other Directors' reports in this newsletter for updates on all the other happenings in our neighborhood. Stay safe and cool. :)

Many thanks to our neighbors who have volunteered extra time in between official Park workdays to help with issues that come up year-round.

If you have some time and skills you would like to share please contact Sue Supple at emesue@comcast.net.

Recent examples include ferreting out pool issues, repair of the lock on the men's restroom door, sprinkler repair, repair of the Baron gate.

Social

Thank you to those who volunteered to help make our Independence Day Ice Cream Social a fun time for all! The Board has opted to encourage each block/street to do their own social event on **National Night Out** (Aug. 2, 2022) and focus on organizing another Association-wide event for mid-to late September. For those who volunteered to help with an Aug. event, I've shared your info with your Block Captain, so I'm hopeful we will see lots of our neighbors out and visiting on Aug. 2! Once we have a date for the Sept. event, I'll be reaching back out for volunteers. Please remember that if you want to have a group (11 or more people, including your household) use the **Common Area**, you'll need to get advance approval. It doesn't take much, but it does need to be **seven (7) days in advance**.

Bulky Waste Pick Up

Residents in our service area receive one bulky waste pick up per calendar year at no additional cost. Check in with your neighbors to share a pick up day or schedule on your own. Here is some updated information:

Bulky Waste Pickup

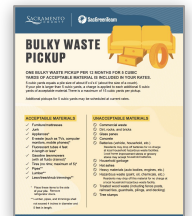

June 21, 2022 Update: The Bulky Waste Pickup appointment schedule continues to be significantly limited. A limited number of Bulky Waste Pickup appointments may be available starting mid/late July and gradually increasing to a full schedule late this summer 2022. The temporary service interruption is necessary for training newly hired employees to double route frequency for weekly curbside collection of organics starting July 2022.

Book Club

Our reading choice for August is [*Cloud Cuckoo Land* by Anthony Doerr](#). If its 640 pages seem intimidating, you may be happy to know the audiobook version was named the best audiobook of 2021. One Amazon reviewer said it “restored my faith in modern fiction.” Another review described it as an “unbearable, boring, slog.” How will Evergreen Commons readers like Doerr’s book? Join us poolside August 8 and share your thoughts.
